## WebDCU Reminder

Please keep your WebDCU  
password secure at all times.

The audit trail maintained in the da-  
tabase is directly linked to your user  
account so it is important that you do  
not share this information with oth-  
ers. Allowing someone to access the  
database using your username and  
password falsifies the audit trail which  
is contrary to Good Clinical Practice  
Guidelines. If you feel the security of  
your user account has been compro-  
mised, please immediately change  
your password by clicking on [Change  
Password] in the upper right hand  
corner of the main menu screen.

If you have questions please contact  
Catherine Dillon: [rileycp@musc.edu](mailto:rileycp@musc.edu)
