point

It's time to "POINT" fingers!

We would like to POINT out the University of Maryland and Henry Ford for getting POINT-certified and receiving drug for the trial.

Congratulations to both sites! We look forward to "POINTing" you out next!

Do you know who to contact?

A new webpage was created on the NETT website to help you know who to contact for study-specific and WebDCU™ questions. This is a useful resource for you and your team! Please pass this information along.

ALIAS2

Reminder about Imaging:

Data from CT/MRI imaging at baseline, 24-hour, **AND** all additional scans up to 7-day/discharge must be entered in WebDCU™ Form 11. Only the images obtained at baseline and 24-hours must be sent to the Central Reading Center in Calgary.

See MOP Section 4.2.3 for further details.
