The database freeze for the next POINT DSMB meeting will occur on *October 7th, 2013*. Please address any outstanding items in WebDCU™. To see if you have CRFs that require attention, go to the [\[Data Management\]](#) tab and then select [\[Subject CRF List\]](#). This will bring you to a page called [\[List Records: Subject CRF List\]](#). Then, in the upper right hand corner under [\[Page Actions\]](#), select [\[Spoke Data Due or Open DCR\]](#) from the drop-down box to filter for the forms that are missing data, have rule violations, open DCRs, etc.
