## SIREN Clinical Coordinating Center September 2023 Newsletter

### CCC News

We're hiring! The CCC is hiring a site monitor. This is a hybrid position based in Ann Arbor, MI. If you would like more information, please reach out to [Valerie Stevenson](#).

### SIREN Didactic Series

SIREN has introduced the monthly "SIREN Didactic Calls for Fellows and Colleagues!" This series is open to any who are interested and are focused on research topics for early career faculty. If you would like to be added to the distribution list, please reach out to [Courtney Miller](#). Have a topic you would like to propose? Please reach out to [Lisa Merck](#).

### Journal Club

The next SIREN Journal Club will take place on Wednesday, October 18<sup>th</sup> at 1:00 PM ET. CMEs are provided. If you would like to volunteer to present and/or suggest an article, please reach out to [Dr. Robert Silbergleit](#) and [Courtney Miller](#).

Want something featured in the SIREN newsletter?

Please send your updates to [Courtney Miller](mailto:Courtney Miller)!

## Trial News

Patterns of Survivors Recovery Trajectories in the ICECAP Trial (**POST-ICECAP**) has received funding from NINDS/NHLBI. We hope to start sites in Fall 2023. If you have not already, please let us know if your site is interested with this non-binding three-question [survey](#).

**HOBIT** has surpassed 100 enrollments! Thank you to all of the HOBIT sites for your hard work.

**P-ICECAP** has 40 sites are actively recruiting, and we are working on bringing on international sites! This fall, the P-ICECAP team will be holding a protocol refresher and pearls of wisdom during the next RC zoom meeting for those sites that have not yet enrolled or have only one enrollment. Please look out for a calendar invite. Attendance is highly recommended.

## Friendly Reminders:

**ICECAP Screen Failures:** Please remember to enter screen failures regularly. They are to be completed monthly, but every 2 weeks is preferred. If you have missing screen failures, please add them.

**HOBIT/ICECAP** has working hours the 1<sup>st</sup> and 3<sup>rd</sup> Monday of each month from 2-3 PM EST via TEAMS. Sites can join to discuss CRF issues, DCR issues, WebDCU questions etc. If you need access to the TEAMS link, please reach out to Peyton Kline at [peyton@muscc.edu](mailto:peyton@muscc.edu).

## SIREN Website Updates

- The [SIREN Calendar](#) is experiencing issues. We are working to repair this and have it fully functional ASAP!
- We have added a new "[Professional Development](#)" page under Education and Training tab for the SIREN didactic and Study Coordinator calls. Please visit this page to access the many resources SIREN has to offer.

**Need something on the website? Please [contact us](#).**

## Working Group Updates

### ***Education, Training, and Collaboration Working Group***

The ETC working group has a new webpage! Please visit our page to learn more about our mission and schedule of topics. The ETC WG will be hosting roundtables for fellows and research professionals on a rotating basis and we encourage all who are interested in continuing education to join!

### ***Trauma Working Group***

The trauma working group is always looking for new members, especially interested SIREN fellows! We invite new ideas for discussion,

and have been discussing a pragmatic trial for spinal cord injury, as well as a traumatic hemorrhage platform trial. 4. We also invite SIREN sites to present the work they are doing in trauma; we recently had Tufts University Trauma Surgery present and had a great discussion on future research projects! Additionally, this WG has been moved to the 4<sup>th</sup> Wednesday of the month at 1 PM PT/4 PM ET.

### ***Other Working Groups***

The SIREN team is creating webpages for each working group with your mission statement to help those interested learn more about your group. Please send your mission statement and any other information on your working group to [Courtney Miller](#).

## CCC Staff Spotlight: Meet Deneil!

Deneil Harney has been with SIREN for 15 years. She has worked as the human subject protection specialist for most of that time and recently transitioned to the role of Associate Administrative Director.

She is originally from Washington State (Go Hawks!) and currently lives in Michigan with her husband Adam and their two children: Everett, who is six and Isla just four. She is also an identical twin.

Her hobbies include: spending time with family and friends, being out in nature, hiking, vegetable gardening and traveling. She also enjoys crocheting, which she started up again during the pandemic.

Languages: English

## BOOST-3 Enrollment

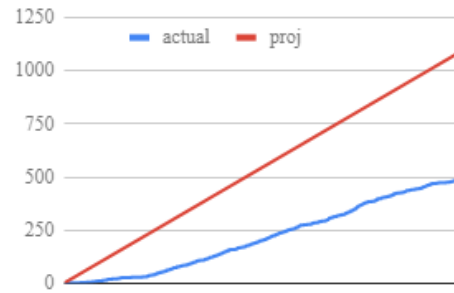

Total enrolled subjects: 526

Target Enrollment: 1094

Sites with Enrollments: 39

Active Sites: 40

## HOBIT Enrollment

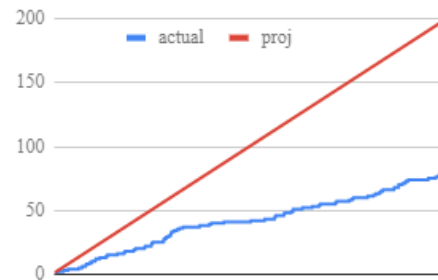

Total enrolled subjects: 104

Target Enrollment: 200

Sites with Enrollments: 10

Active Sites: 9

## ICECAP Enrollment

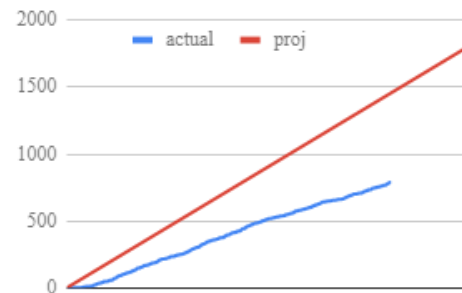

Total enrolled subjects: 788

Target Enrollment: 1800

Sites with Enrollments: 61

Active Sites: 64

## P-ICECAP Enrollment

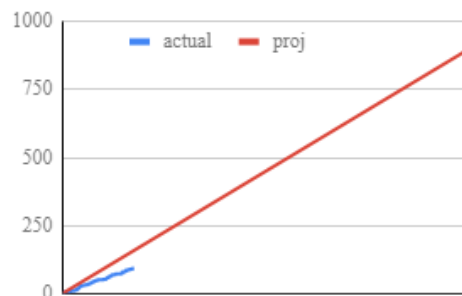

Total enrollment: 93

Sites Released to Enroll: 39

Sites with Enrollments: 30

Target Enrollment: 900

# Award HUBs and Investigators

## Mid-America CTSA Consortium (MACC)
